STORY

The story is told by Devonte Sanford (PRO) B/M/11-26-92 of 19700 Beland who stated that on 09/17/2007 the suspects had met around 3 pm at the coney island located at 7 mile and Albion. It was this point and time that they decided that they were going pull a lick at 19741 Runyon because "Milk Dud" (complainant #1) is known to have weed and not to have any weapons around. The PRO and suspects later met again around 9:30pm or 10:00pm at the playground located at Manning and Beland. It was at this point and time that the suspects handed out firearms and decided to put their plan into motion. They got into a 95 Grand Marquis driven by "LOS", drove by 19741 Runyon to check it out and were getting pumped up about pulling the lick. Once the vehicle circled around the block the PRO claims to have gotten scared with what was about to transpire and got out of the vehicle and went home. It was a short time later that the PRO heard gunshots and then observed "Tone Tone" jumping his mother's fence. When the PRO inquired as to what had happened "Tone Tone" stated that "he had shot that nigga". The story is cooberated by complainant #5 who stated that all of the complainants were in the frontroom of 19741 Runyon when multiple gunshots rang out through the front door and window of the location at which point she along with the other complainants were shot. Complainant #5 ran to the S/W bedroom for cover. She stated that she was followed into the bedroom by a B/M/20-25, 600, medium build wearing dark colored pants, a grey shirt and something over his face wanting to know were "where's it at or I'll kill you". Complainant #5 stated that during this time she heard other voices and gunshots in the frontroom. When she told the suspect she didn't know, he left the bedroom and went back into the frontroom. The story is completed by Jesse King B/M/02-24-49 of 19764 Runyon who stated that he heard the gunshots and looked out his front door to see what was going on. It was at this point when he observed two individuals walking N/B Runyon away from the scene. When the suspects noticed Mr. King the one armed with the AK-47 assault rifled, leveled it at Mr. King and fired three rounds at him. Mr. King then retrieved a 9MM semi-automatic pistol and fired three rounds at the fleeing suspects as the approached the empty field, but none of rounds took effect.

STATE OF MICHIGAN

**AFFIDAVIT FOR SEARCH WARRANT**

COUNTY OF WAYNE

To The Sheriff or any Peace Officer of said County:

**THEREFORE, IN THE NAME OF THE PEOPLE OF THE STATE OF MICHIGAN, I command that you search the following described place:**

11421 Christy located in the City of Detroit, County of Wayne and the State of Michigan. 11421 Christy is a one story, single family brown brick house with a white entrance door and a black security door on the front of the house. It is on the north side of the street, the third house off the corner of Elmo. The address is clearly affixed to the house. The search is to include the entire premises, curtilage, all out buildings, garages or other storage buildings related to the above described premises, all containers in or on the premises or curtilage or storage areas related to the above described place.

**And to there seize, tabulate and make return thereof according to the law the following property or things which have been used in the commission of, or which constitute evidence of, criminal conduct:**

All firearms, holsters or containers used to transport or store firearms, all spent bullets, spent casings or live ammunition, all receipts, records or documentation regarding the purchase of firearms or ammunition. Any items suspected of having trace evidence, such as blood or body fluids. Any narcotics and/or the indicia of any crime.

**Affiant says that he has probable cause to believe that the above-listed things to be seized are now located upon said described premises, based upon the following facts:**

1. The affiant is a member of Detroit Police Department Homicide and is assigned to the investigation of the fatal shootings of Michael Robinson B/M/33, Deangelo McNoriell B/M/31, Brian Dixon B/M/31, and Nicole Chapman B/F/30 which occurred on September 17, 2007, at approximately 11:30 PM, inside 19741 Runyon, located in the city of Detroit, County of Wayne. Valerie Glover B/F/30 was also at 19741 Runyon when the shooting occurred. Ms. Glover was also shot, but she survived her injuries.
2. On September 17, 2007, Scout Eastern District Cobra 30 received a police run to 19741 Runyon on shots fired. Upon their arrival, they discovered all of the above listed complainants suffering from gunshot wounds. They also discovered Michael Robinson, Jr. B/M/7, in a bedroom unharmed.
3. On September 18, 2007, Devontae Sanford B/M/14 gave a written statement to members of Detroit Police Homicide. In his statement, Devontae Sanford said that he, along with Angelo Gardner B/M/18 a/k/a "Los", Santo Green B/M/19 a/k/a "Tone Tone," Antonio Langston B/M/18 a/k/a "PBI Tone", and "Cary", all of whom were armed with guns, all went to 19741 Runyon with the intent to rob the occupants. The above suspects drove to the location in a 4 Door Mercury Marquis driven by Angelo Gardner. Upon arriving at the location, the suspects began firing into the dwelling. While Antonio Langston stayed on the porch, the other suspects entered the location and began to search for anything of value. During the search Santo Green went into the basement and came back upstairs with two black duffel bags full of marijuana. The suspects inside the house then decided to eliminate all witnesses and proceeded to shoot the above described victims. After leaving the location, Devontae Sanford and "Cary" fled on foot while the other suspects fled in the Grand Marquis driven by Angelo Gardner. Devontae Sanford said that he and "Cary" ran to the corner of Beland and State Fair and threw the guns over a fence. A search of this area did not result in any guns being found.

A- Around 3-3:30pm, I went to the coney island on 7-mile & Albion. When I got to the Coney some guys I know, "PBI TONE" "TONE TONE" and "CARRIE" were already inside the Coney. I started talking with them and they were talking about "hitting a lick" "TONE TONE" asked if we wanted to hit a lick on Runyon, at "MILK DUDS" house. "TONE" said "yeah, lets rob that bitch ass nigga, he don't be having no guns anyway". I was like "fuck it, lets do it" The plan was to get everything and sell it, and keep the money and guns. "Tone" started talking dumb like he was high on "E's" he (Tone) was saying that we were going to take all "MILK DUDS" T.V'S, games and whatever we find, and I told him that's how he was going to get caught. Everybody was passing guns around that they had. I know I saw a "chopper" a "Mini-14" the .38 I had and a .45. "Los" pulled up in his Grand Marquise and said lets go. we all got in the car and drove by "MILK DUDS" house on Runyon to see what was going on at his house. I remember a car in the driveway and drove past. We all said that we were ready to "do it" and went around State Fair to Teppert to Manning and I told

"Los" to stop and let me out. "Los" kept saying "and to go then stopped. I gave the .38 to "Tone" and I got out the car. I saw them turn back down Runyon towards "MILK DUDES" house and I walked two streets over to my house. I got to the house and heard the guns shots. I went to my bedroom window and saw "TONE TONE" jumping the fence into my yard. I yelled out to "TONE TONE" asking him what happened and he said "I shot the nigga dog. I got to go". "TONE" ran off and I saw him run to his grandmothers house on Algonac and open the side fence gate. Q- Sir, did I read to you and do you understand your Constitutional Rights?

A- Yes

Q- Sir, did I have you explain your rights back to me as you understood them?

A- Yes

Q- Sir, do you recall giving me (Sgt. Russell) a statement early this morning regarding the shooting that occurred on Runyon St?

A- Yes

Q- Was everything in your statement truthful?

A- No

Q- What part of your statement wasn't truthful?

A- the part about I got out the car?

Q- Tell me what really happened regarding the shooting on Runyon St.?

A- Earlier in the day of the shooting I did meet with "TONE" "TONE TONE" "LOS" " and "CARRIE". But we didn't meet at the Coney Island, we were at "Los's" mothers house on Albion. We were all smoking blunts and talking about robbing "Milk Dud" on Runyon. The plan was for us to go on Runyon in the evening and rob "MILK DUD" of his weed and money. I left from "Los's" around 7:30pm then went to my aunt Sherryls friends house until around 9:25pm. I meet up with everyone, "TONE" "TONE TONE" "LOS" and "CARRIE" in the park across from my house and got hyped to go "hit the lick" and "MILK DUD'S" house. We all got in "LOS'S" car, a green Mercury Marquise 4dr. and rode over to Runyon. "LOS" pulled in front of "MILK DUDS" house and stopped in the street and let everyone out. I remember a red car was parked in front of "MILK DUDS" house. I got out the car with a mini-14, "TONE" had a handgun, "TONE TONE" had a "chopper" and "CARRIE" had a .45. As soon as we got out the car we ran up on the front yard and "started bustin" at the house. I was shooting the mini-14 through the front window. Everyone shot their gun at the house from the outside. We all ran up on the porch and went inside. I saw "MILK DUD" sitting in a chair that was kind of in front of the door, another guy was sitting on the couch in front of the window, and a guy and a lady were on the floor. It seemed like the man and the lady on the floor were already dead. The guy on the couch was shot already from when we sprayed the house, and "MILK DUD" was also shot. Me and "CARRIE" were in the livingroom, and "TONE" & "TONE TONE" started searching the rest of the house. As soon as "TONE" and "TONE TONE" went in the back of the house, I heard shots coming from the back bedroom. "TONE TONE" went and checked the basement. "TONE TONE" came from out the basement with two black bags duffel bags and said "HELL YEAH, WE HIT A LICK". "TONE TONE" looked at "CARRIE" and said "fuck all these witnesses" and everybody started shooting. "CARRIE" shot the guy on the couch in the legs, and I started shooting him with my mini. *DE*

Davonne D. Sanford

"CARRIE" and "TONE TONE" shot "MILK". Everyone ran out the house and "TONE" and "TONE TONE" and "CARRIE" got in the car with "LOS" and drove off. ME and "CARRIE" ran up Runyon towards State Fair and someone across the street started bustin at us. I turned and busted back. Me and "CARRIE" ran up State Fair to Beland and threw our guns over the fence into the AT&T lot. I ran home and changed my clothes, and threw my jym shoes in the washing machine. A Few minutes later my mother came in the house and told me that someone got shot on Runyon. I started feeling real bad and went outside. Everything started getting to me and I saw you on Beland by State Fair and walked down the street and started telling you what happened.

Q- Where did "CARRIE" go when you ran to your house?

A- He kept running down the street on Beland. DS

Q- What were you wearing the shooting, and where are the clothes you were wearing?

A- I had on some black dickie pants, black t-shirt that said "Payday" (it was inside out) and some blue and white jordans, the black pants are folded up on the shelf in my closet, the shirt is still inside out on the pole in my closet, and you have the shoes. DS

Q- Did you wash your clothes?

A- No I didn't. DS

Q- How long did you have the mini-14 you say you were shooting?

A- Its not mine, I only used it. DS

Q- How many times would you guess you shot your gun total while at the house on Runyon?

A- Im not sure but I would say about 9-10 times. DS

Q- Did you see anyone else in the house besides the persons you mentioned in the living room?

A- Yes, when I walked to the back room I was another lady laying on the floor. DS

Q- What if anything did you take out the house on Runyon?

A- Nothing. DS

Q- You stated that you "Busted" at someone on Runyon while you were running away, how many times did you shoot at this person?

A- About 8-9 times. DS

Q- Did "LOS" ever get out the car on Runyon St.?

A- Yes, he was on the Porch. DS

Q- Why are you telling me about the shooting on Runyon?

A- Because it was getting to me and my mother told me to tell you the truth.

Q- Did I contact you regarding the shooting on Runyon, or did you contact me?

A- I contacted you. DS

Q- Has anyone threatened or promised you anything for your statement?

A- No. DS

Q- Can you tell me where you were at on Monday evening on 9-17-07?

A- I did De Angelo's hair in a house on Teffert, I think that's the street. I don't know that area too well. I was around 9<sup>00</sup> pm, 9<sup>30</sup> pm, & I finished around 12<sup>30</sup> am, 1<sup>00</sup> am. I gave him \$5<sup>00</sup> to give me a ride to Woodward.

Q- Did anything unusual happen while you were doing his hair?

A- He got a phone call just before I finished his hair. Deangelo said the caller said somebody got shot on Lundy. I heard him ask was it any of his people. He then said if it wasn't any of his people don't bother him with this. He didn't want to get involved in no mess that didn't concern him.

Q- I'm showing you a photo. Do you recognize this person?

A- NO. He wasn't with Deangelo when I did his hair.

Q- Is this a true statement you've given me? A- Yes.
